General information

- PJ's is situated at PJ Olivier High School Hall, situated at the top of Somerset Street.
- PJ's is an end-on performance space and is ideally suited to dance and physical theatre productions.
- The venue is blacked out and has a full black surround with black masking flats which are used for wings and two scaffold towers on either side of the stage. The flats are able to be moved to accommodate each production. Please take care to mark the position of the flats for your production.
- The Stage is set on the floor in front of the halls existing stage therefore there is ample storage and backstage facilities on the halls existing stage, performers are able to cross backstage from left to right without been seen by the audience.
- There are certain places in the ceiling from which to hang scenery. You have to take into consideration the weigh and this will need to be done in conjunction with the Technical Office to ensure its safe instillation.
- **No floor or wall fixings are permitted. Please use stage weights where possible.**
- There are two dressing rooms available to your production on the prompt side of the stage, please keep this locked at all times and do not leave any valuables lying around. Please clear the dressing room after your performance to make it available for the incoming production to use.
- Each company is assigned a get in/tech time prior to their first performance. **Please do not use this time to rehearse your show.** This is the time for you to load your set and props into the venue and for you to re-tech your show, checking lighting and sound cues and to do a full technical rehearsal of your show. You will also need to allow sufficient time to rehearse your daily turnaround and set storage.
- Please arrive on time for your rehearsal. If you do not use the technical time allocated, you will lose this time slot. The schedule will not allow for rehearsals that over run.
- Please be vigilant in safe-keeping your personal belongings. The NAF can take no responsibility for loss or damage to equipment, instruments, props, costumes or any other items in Festival venues.
- At the end of your final performance at the festival, please arrange for the removal or disposal of your set and any unused material, if the NAF has to dispose of any such material or sets, your company will be charged accordingly
- Please let us know when you intend to arrive in Grahamstown. Please let us know the duration of your performance.
- **Please note that, due to municipal regulations, smoking is not permitted in any venues.**

Front of House

Tickets to your performances will be sold at the door 30 minutes prior to the advertised starting time. The audience will be allowed into the venue 10 minutes prior to curtain-up. This is **NOT NEGOTIABLE**. Please ensure that your cast and crew arrive on time and are ready to start the performance at the advertised start time. Please ensure that your cast and crew are ready **ON TIME**. *Performances that go up late may incur a penalty.*

Technical Staff

The venue has two technicians and a stage hand to assist you with your set-up and strike. **The stage management of each performance is the presenting company's responsibility.** The Venue Technicians are available to operate sound and lighting cues for your performances but must be provided with an accurate, legible cue sheet or be cued by your Stage Manager.
