We have made every effort to ensure that the information in this booklet is correct, but mistakes do occur (for which we apologise) and changes to schedules, cancellations and additions are on-going.

The running time / duration of productions is provided by the artists and while we try to ensure that these are adhered to, it is advisable to anticipate some delays - leave at least 45 minutes to an hour between performances to give you sufficient time to travel between venues.

We regret that NO REFUNDS are given for late arrivals. Most of our theatres close their doors once the production has started and we do not allow late entry. So please ensure you leave sufficient time between performances.

Disabled persons or persons requiring any assistance or special arrangements at any Festival event should contact the Box Office Manager to ensure necessary arrangements are made. Please contact either Akhona 046 603 1186 or Kate 046 603 1163 or email boxoffice@nationalartsfestival.co.za
